O R D E R

On May 13, 1983, the Commission issued an Order to 13 small telephone utilities<sup>1</sup> approving the accounting and allocation procedures with regard to the sale and lease of new terminal equipment purchased after January 1, 1983. Although the Commission found the procedures to be generally appropriate, concern was expressed that an alternate methodology might prove more applicable. Thus, in its Order, the Commission requested each utility adopting these procedures to file its actual results, based on these procedures, for the calendar year 1983 on or
